

Charanga is the world's leading platform for music teaching and learning.

Over 8,500 schools and 30,000+ teachers across 62 countries use Charanga on a daily basis with over 2 million children every week enjoying Charanga-supported music lessons.

Why get Charanga for your school?

If you've had a free trial, you'll know Charanga is high quality, and supports music teaching and learning in a deep and meaningful way. If you've obtained a quote for the annual cost of a licence, you'll also know that it's very good value. Below are some other practical reasons to purchase Charanga for your school.

Boost children's achievement and enjoyment of music

This is the No.1 thing teachers tell us about using Charanga in their school and is backed up by in-depth research.

Reduce your annual spend on music books

If you were to print all the interactive materials, lesson planning support, and curriculum documentation in Charanga, you would have the equivalent of over 500 50-page books.

Because it's cloud based and we work closely with the best music publishers and writers, the materials are updated and added to regularly with no additional cost, so you are *always up to date*.

Provide great value support for every teacher and every child

Buying a licence for your school includes a personal login for as many teachers that would like one, AND access for every student to the Charanga YUMU area of the platform where they can extend their learning beyond the classroom.
